Mrs. Cantrell
Dyslexia Teacher

My Mission Statement…

Inspiring students to fall in love with learning.

A little about myself…

This is my 32nd year of teaching and I'm very excited about what this new year holds. I taught in Chapel Hill, Tyler, and this will be my 23rd year in Lindale. I've taught 1st grade, 2nd grade, Reading Recovery, and I am looking forward to my 4th year of teaching MTA, our dyslexia program. My husband, Darren and I, will be celebrating our 31st wedding anniversary in December. We have two wonderful grown children, Savannah- 26, who just celebrated her 1st wedding anniversary, and Cole-23, who will graduate from UT Tyler in May.

Things I enjoy…

Hiking, Reading, Coffee, Dove Dark Chocolate, and Family Time
