

MEET Mrs. Gibson

#Selfie

#welcome to HiRd

I am so excited to start my eighth year at Lindale ISD. I have taught third grade for 14 years. I have a Social Work degree from the University of KY and a teaching certificate from Stephen F Austin State University. I moved to East Texas 19 years ago with my husband Scott. We have two children Kaitlyn and Ethan. We love to travel and see new places. My goal this year is to encourage every child to be curious in their learning and to be explorers of information.

#CONTACT
